

GUIDELINES FOR BOOKING TEE TIMES USING EDINBURGH LEISURE APP.

(Online and Mobile)

1. Online App/Website

1. Go to “Book Online”
<https://bookings.edinburghleisure.co.uk/bookonline/MRMLLogin.aspx>
2. You’ll then be asked to Login
3. Select “Make A Booking”
4. Select “Golf Craigentiny”
5. Select “Golf Booking”
6. Then you can either scroll down to your required date and time.
Note : The times are not in the usual diary format hence the need to scroll through.
Or use the Search. I.e. if you enter “mon 08” it will drop down with 5 times to choose from 08:00 on Monday. Or if you put “mon 08:10” it will drop down that specific time on Monday.
7. The “Select Slot” option will then tell you if there are 1 or 2 slots available.
Remember Edinburgh Leisure will only allow the person making the booking to take one individual slot within a time, not booking the full time as we have been used to.
If space available you can then “Book” and get your playing partner to do likewise.
8. Confirmation will follow by email (if you have activated that function)
9. Check “Manage Bookings” to also confirm if booking has completed ok

The best way to ensure you get to play with whoever you want to want is to plan/agree the required time beforehand, then book (via Online or Mobile App) at the same time then no random will get in before your preferred partner. 😊

2. Mobile App

1. Access the EL Mobile App
2. The app may open at the “Golf Courses” page.
If it has not, then select the three lines on the top left and then select “Golf Courses” from the drop down.
3. Select “Craigentenny”
4. As per the online app (No.6 above) you can either scroll down to your required date and time or use the Search function
5. You should see very clearly which slots have times available
Red 0/2 means none of the two spaces are available
Grey 1/2 or 2/2 means 1 or two spots are available
6. Simply select the timeslot then “Book”
Note : there is a message that appears asking “Book for yourself only? “
If you say no and try to “add more people” it only accepts paying customers and will then ask for payment.
So select “yes” and then get your playing partner to do likewise.
7. Confirmation will follow by email (if you have activated that function)
8. Check “My Bookings” to confirm booking has completed ok

3. Edinburgh Leisure Membership

To book a tee time and play on Edinburgh Leisure courses you have to be a member or have an account with Edinburgh Leisure. EL will not allow customers on the courses without a booking.

Full information on how to obtain these can be found on EL site [HERE](#)

A number of our members have experienced issues with EL access/passwords due to emails having been changed. At time of writing EL phones were switched off, however the email address

customeraccounts@edinburghleisure.co.uk is available for these enquiries.

And apparently the experience this week is that the emails have been promptly dealt with.

Hopefully this is a temporary process that won't last for long
