

26th May 2020

Dear Member,

Hope everybody is well.

No doubt you will all be looking forward to Thursday and the Scottish Government announcement on easing the lockdown. In anticipation of Golf being allowed again I want to let members with lockers know how they can retrieve their clubs.

We are adhering to the advice from Scottish Golf which is that members should be allowed into the club to retrieve equipment **once** only. You cannot return clubs to your locker and the club will remain closed. Hopefully these measures will not be in force for too long. If you are going to play golf this summer then you need to collect your clubs. Therefore a member of the committee will be on hand to allow access (one at a time) on the following dates and times.

Thursday 28th from 2.00pm until 6.00pm & Saturday 30th from 8.00am until 11.30am.

You may have to queue, so please keep a 2 meter distance to get into the club and we would ask that you use the hand sanitiser available before and after entering the locker room.

We are still waiting on confirmation from Edinburgh Leisure on when they will be opening the course again. I would ask that all members adhere to the rules they put in place.

The committee is due to meet again on the 10th of June and I will update you all as normal after that meeting. I know many of you have asking about competitive golf and we will be in a position to organise tournaments as soon as we can.

If anybody has any questions then please contact the club at secretary@lochendgolfclub.co.uk

Regards

Alex Ferguson
Captain, Lochend Golf Club
