

## MEDAL 4<sup>th</sup> and 5<sup>th</sup> JULY

### QUALIFYING MEDAL FOR CLUB CHAMPIONSHIP

This medal will be held over two days whilst we are restricted to two ball tee times, this will better facilitate members entry. Please note that a member can only choose one of the days to submit a medal card.

#### **Guidelines for entering the medal competition and procedure for completing and submitting the score card**

1. Book Own Tee Time

2. Collect score card from Edinburgh Leisure Starter. Note the number written on top right corner of card and pass this information to the starter along with your name. The starter will record this information on a Medal Entry sheet, so it is important that this information is relayed accurately! During the present health alert there will be no sweep however the overall winner and two other section winners will still receive the usual credits placed on their bar account

#### **During the present medical situation, the card will be completed in a different way so please note the following changes**

3. Complete the cards headings box, Competition, Date and Time sections

4. Player A will be yourself and Player B will be your partner. This means that when recording the score hole by hole your own score will be recorded under the Player A heading and your partners score will be recorded under Player B. Your Handicap for Player A and Your partners handicap should be entered for Player B

5. On completion of the round scores will be totalled and handicap entered with a final score recorded in the Nett Box.

6. You will then check with your playing partner your hole by hole score along with your recorded handicaps and total nett Scores, if all agree then you sign the card under the Players Signature and write into the Markers Signature the word **VERIFIED**. If all correct card can then be placed in the wooden box situated in the side entrance foyer where there will be hand sanitizer and wipes available.
