

14th July 2020

Dear Member,

Hope everybody is well.

Clubhouse: The clubhouse bar will open on Wednesday 15th July. Again we have completed a risk assessment. Of course opening the bar is not completely risk free however the procedures we have put in place where we can, will help to reduce the risks. I would ask that you all stick to the rules for everybody's safety.

- ***Maintain social distance of 2 meters we have plenty of room. Make use of lounge as well as bar***
- ***Do not re-position chairs or tables***
- ***Follow signage***
- ***We are having screens erected on bar to protect staff***
- ***Entry is only via side door in front of locker rooms***
- ***Exit via front door opposite 18th green (no loitering or smoking at front door)***
- ***Ensure that you use hand sanitiser on entry and frequently after that.***
- ***Use toilets in lounge only***
- ***There will be a separate area for you to return used glasses.***
- ***Members only. However members may sign in one guest.***

Sorry to those members who could not get a pint of Tennants on Sat lunchtime. Despite placing our order with Belhaven Brewery for a delivery on Tuesday 7th July they did not deliver any Tennants Lager only Best & Guinness. We managed to source two kegs on Thursday however these ran out on Friday night. Thank you to Broadfields bar who lent us some kegs on Saturday afternoon. We finally got a delivery at 7.00 on Saturday night! However our delivery today did not have any lager. When we contacted Belhaven they finally explained that they have had a problem in the supply chain for Tennants. However they have this afternoon confirmed that they will deliver part of our Tennants order tomorrow and the rest on Friday. After so many weeks of bottled and canned beer we know how important a proper pint is!

Locker Rooms: Whilst we could open our locker rooms we have taken the decision that there is just not enough space to adhere to guidelines. There would be busy times when it would just be impossible. It is planned to review this on a regular basis.

Golf Tournaments: Glad to see that everybody is enjoying competitive golf again. We are still constrained in the way we operate our tournaments by the Edinburgh Leisure booking system. We would like to re-introduce pairs & team events and are looking at what we can do here. The opening of the bar now allows us to re-introduce entry fees & sweeps with more and better prize funds. As a concession we will now allow members to pay entry fees & sweeps from their bar account. Full details on how to do this will be explained when competitions are publicised. (Please keep your bar account topped up!). There may also be other changes so please ensure you read and understand the structure and rules for each event.
