

9th July 2020

Dear Member,

I hope everybody and your family & friends are well.

Clubhouse: The bar will open for outside service from today (Thursday 9th July) and the clubhouse will be open from 15th July. We have taken time to plan this as there will be no compromise on the safety of our staff & members. We have had an additional issue as we discovered last weekend's rain had blocked a drain which caused a leak in the cellar which then caused an issue with the beer cooler.

The cost of an outside tables & chairs licence was prohibitive as we would have had to erect temporary screening on Edinburgh Council land for what would only be one weekend. Therefore we applied for an occasional licence (received this morning) which covers the paved area at the front of the club and allows us to serve members at the front of the club on the benches. Please pay attention to the signage, social distancing and instructions from staff. Smoking in this area is not allowed and we have created a smoking area at the side of the club.

Opening hours for the next week:
