

Competition Score Entry

We have finally completed the update to our Self Score Entry System which is now situated in the side entrance foyer. This will come into effect for members to enter their own scores from Saturday 8th August which is when you be able to enter your scores for The Mackie Cup.

We would ask that the following precautions are taken to mitigate risk of infection during this period.

Only one member at a time in the foyer to maintain social distancing.

The touch screen sited just inside the side entrance door, where we have placed hand sanitizer and anti-bacterial wipes, should be used as follows.

Hands should be sanitized prior to commencing score entry and the screen cleaned with the supplied wipes. On completing entry, the screen should be cleaned again and the score card placed in the wooden box.

Adherence to these simple requests will help keep fellow members safe.

Additions to Gents the Fixture List

The gents fixture list has been updated adding further competitions and medals until November. I will continue with these two monthly updates until The Scottish Government and Edinburgh Leisure further relax the present restrictions.

The revised list is on the Clubs website and I will display hard copy on the notice board in the members bar area.

Prizes

Kenny Saunders was the winner of the Sleeve of TaylorMade golf balls in the 'Correctly completed 'score card draw.

A second sleeve is on offer for the winner of the Stableford Medal on Thursday 6th August. Generous to a fault

Stuart Mathie

Vice Captain
