

7<sup>th</sup> January 2021

Dear Member,

Happy New Year to everybody.

The monthly committee meeting was held on Zoom last night.

**Competitions:** Due to the restrictions on no more than two people meeting then we must revert to two balls. Given the limited tee times available in winter it is impossible to run competitions where everybody who would want to enter can. We have therefore taken the decision to postpone our competitions until further notice. We will though ensure that the competitions are back up and running as soon as possible. Our fixture lists for this year were also ready. We will now need to make some changes and will delay publishing this until we have an element of certainty.

**Clubhouse:** Although the clubhouse is closed we continue to look after the premises. Just to let you know we have cancelled the contract for the drinks vending machine in the foyer. This has now been removed. We could not continue with this as it was not cost effective. We are now looking at other arrangements.

**AGM:** Thank you again to those members who attended the Zoom meeting. I considered it was important that this meeting took place. The draft minutes of the meeting are attached which are subject to approval at this year's meeting.

**Xmas Raffle:** Thank you to all the members who bought tickets. We raised £850 for the club.

Regards
