

## VMS / SG APP Update (200722)

### Gents Open and Seniors Open.

The Gents Open went through relatively smoothly, many thanks to Jakob the SG representative who assisted on the day.

The issue with Duddingston members not being able to check-in has now been resolved. It was due to the players having duplicate profiles since registering with SG App. All players who have this issue are now properly registered with Lochend as Guest members and should have no problems entering future Opens via the App.

Seniors Open, now available for entry. Please note the quickest and easiest way for all Lochend Members and returning visitor Guest Members to enter is via the SG App (just remember to add your preferred tee-time hour to the Note Option). Full guidelines can be found here <https://lochendgolfclub.co.uk/wp-content/uploads/2022/02/LOCHEND-SENIORS-GENTS-OPEN-Guidelines-110722-1.pdf>

### Non-home members unable to select home members when entering a team event

This has now been fixed.

You should be able to select the other players now without the need to use their CDH number.

Meantime if you are still unable to pair with a member, send request to [tournaments@lochendgolfclub.co.uk](mailto:tournaments@lochendgolfclub.co.uk) who will pair you up and investigate.

### Live Scoring on the Smart Screen

A few members have been asking about the frequent colour changes on the scoreboard, this is to show players positional movement. Red means they have moved down green shows they have moved up a position after the auto refresh.

Pos	Score	Thru	Par	Nat	Player Name
1	54	15	-5	⊠	Susan Newlands [0]
2	48	13	-4	⊠	Carole Owens [0]
3	58	15	-1	⊠	Judith Campbell [0]
4	59	15	Par	⊠	Linda Hutchinson [0]
5	53	13	+1	⊠	Pat Meikle [0]
6	62	15	+3	⊠	Sheila Munro [0]

### Fixture List Display Issue

On the Web Site you may have found you were unable to move the fixtures list left or right or pinch to make it bigger.

Our Web Designer has now fixed this and you should be able to move the display around as normal
